**SOUTH
SUMMIT**
INNOVATION IS BUSINESS

Live Streaming

Access to general content. There you will find the different keynotes, conversations and fireside chats from our speakers, corporations and experts.

Also included is the Startup Competition where you will be able to see the pitches of the finalists, the Q&A's and the final.

Networking Tool

The screenshot shows the 'Networking' section of the South Summit platform. At the top, a navigation bar includes links for Agenda, Marketplace, Networking, 100 finalists, Leaders, and Opportunities. A header question asks 'Who will you meet at South Summit?'. Below this is a search interface with a red background. It features a search bar with the placeholder 'Search people by name, title, industry...' and a 'Find the people you'll want to meet' prompt. There are two dropdown menus labeled 'Looking for' and 'Industry', both with 'Please select...' as the current selection. A 'Search' button is located to the right of these menus. Below the search bar, six attendee profiles are displayed in a grid. Each profile consists of a circular profile picture and text identifying the person and their role.

 Abdelkader Kheladi Contract Administration C&I	 Abdelkader MEHDI Consultant Assistant IT/RIA Consulting	 Abdelaziz boumakhlouf Administrator Sahar Abbaz University
 Aaron Aznar owner Q1 Amov	 Abdel Rodríguez López CEO Proleps	 Gómez Administrative Universidad Rey Juan

Section within the platform where you will meet all the attendees of the encounter and where you will be able to access their profiles and chat with them.

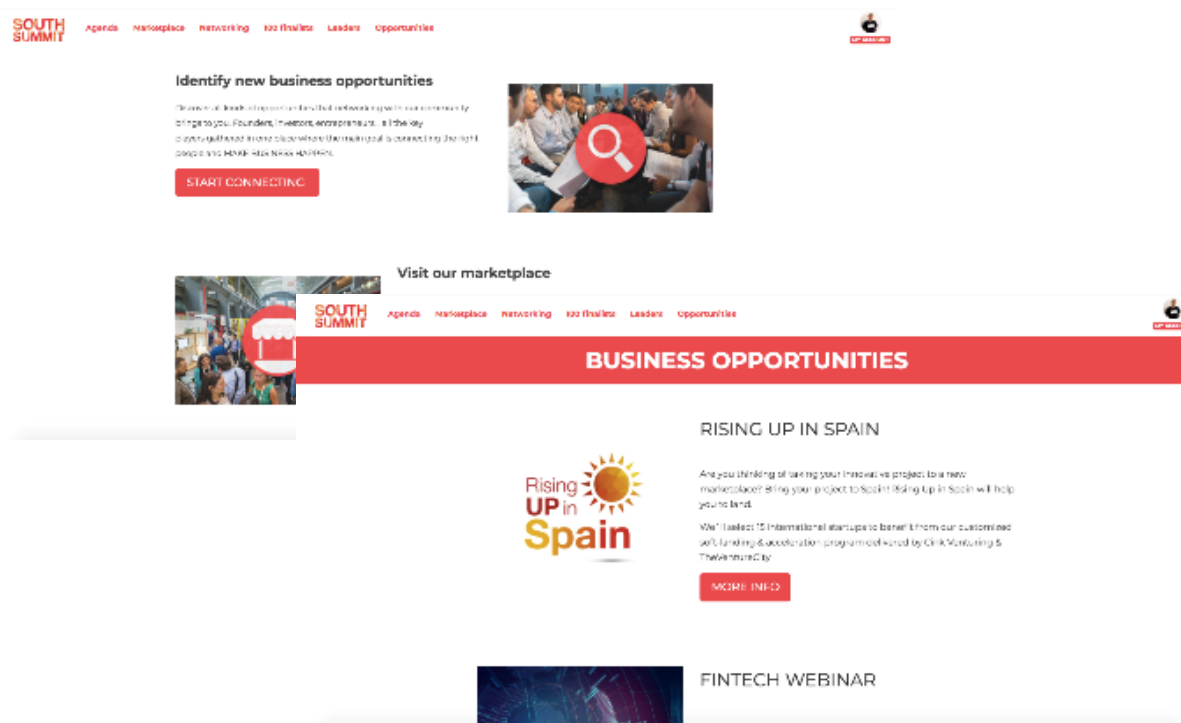

Each attendee will have a profile where they will fill in all their relevant information such as: type of attendee (startup, corporation, investor, etc.), country and industry.

Online Marketplace

Marketplace, within the platform, where you will find all the non-personal profiles of our partners and startups to learn more about their programs and actions.

South Summit 365 Community

Platform where meeting attendees will be able to access all the benefits included in their ticket.

They will be able to see all the content, connect with people and keep up with the latest news from South Summit and the ecosystem in general.

Speed Networking

Physical and online area at South Summit where you can meet with people who can be beneficial to your business.

You reserve a space and a time with a person and if that person accepts you meet with them, either by video call (in the online format) or at a table in the speed networking area (in the physical format).

Online Workshops

Exclusive content offered by our partners in the form of a workshop that can only be accessed after registration.

The contents are specially designed for the community of innovators and startups.
